Adventure is a matter of significance, support, stimulation, and satisfaction--characteristics of quality education. The AITC model asks teachers to look beyond the appearance of adventure to these four qualities and to address them in classroom endeavors. Section 1 of the book describes the model, provides background on Project Adventure's ...

Adventures in Critical Pedagogy 150 the understandings I have gained in the intervening years. It is my hope that this work will add to the growing body of literature that seeks to deepen the insight of teacher educators and mentor teachers into the challenges faced by new teachers who aspire to education for critical democratic engagement.
