History. Centralized operations under COINTELPRO officially began in August 1956 with a program designed
to "increase factionalism, cause disruption and win defections" inside the Communist Party USA (CPUSA).
Tactics included anonymous phone calls, Internal Revenue Service (IRS) audits, and the creation of
documents that would divide the American communist organization internally.

Digital marketing is going to change drastically in 2019. And sadly, you aren't going to like a lot of the changes. And no, I don't mean change from a competition standpoint. You already know that each year marketing gets more expensive and more competitive. That's just a given. Just look at the graph above: that's [!]
