Transport-derived emissions of volatile organic compounds (VOCs) have decreased owing to stricter controls on air pollution. This means that the relative importance of chemicals in pesticides, coatings, printing inks, adhesives, cleaning agents, and personal care products has increased. McDonald et al. show that these volatile chemical products now contribute fully one-half of emitted VOCs in ...

Joining of carbon fibre reinforced polymer (CFRP) composites and aluminium alloys – A review

Joining of carbon fibre reinforced polymer (CFRP)

The adoption rates of the optional IEQ credits in LEED NC 2009 give an indication of how building owners are prioritizing certain aspects of IEQ. We extracted the data and found that the vast majority of projects obtain credits for low-emitting adhesives, paints and flooring systems. Increased ventilation is much less widely adopted, despite strong evidence for health and performance ...

The impact of working in a green certified building on

Acrylamide is a chemical used mainly in certain industrial processes, such as in making paper, dyes, and plastics, and in treating drinking water and wastewater. There are small amounts in some consumer products, such as caulk, food packaging, and some adhesives. Acrylamide is also found in ...

The war on drugs is a campaign, led by the U.S. federal government, of drug prohibition, military aid, and military intervention, with the stated aim being to reduce the illegal drug trade in the United States. The initiative includes a set of drug policies that are intended to discourage the production, distribution, and consumption of psychoactive drugs that the participating governments and ...

Ketamine, sold under the brand name Ketalar among others, is a medication mainly used for starting and maintaining anesthesia. It induces a trance-like state while providing pain relief, sedation, and memory loss. Other uses include for chronic pain and for sedation in intensive care. Heart function, breathing, and airway reflexes generally remain functional during its effects.
