An academy (Attic Greek: ἀκαδημία; Koine Greek ἀκαδημία) is an institution of secondary education, higher learning, research, or honorary membership. The term academia refers to the worldwide human group composed of professors and researchers at institutes of higher learning.. The name traces back to Plato's school of philosophy, founded approximately 385 BC at Akademia, a ...

Introduction. This article, in a way, carries on from the one on Process listening. The terms top down and bottom up refer to ways in which someone might process a listening text. In many books on listening they are seen as two separate strategies that can be used by students to process and understand listening texts, but what exactly do they mean?

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...
