If you are seeking a job outside of the United States, be aware that many employers will ask you for a curriculum vitae (or "CV"), perhaps with an accompanying profile, rather than for a "resume". This can be confusing, since in the US curriculum vitae are used almost exclusively for jobs in academia, scientific research fields, and the medical professions.

A résumé or resume is a document used by a person to present their backgrounds and skills. Résumés can be used for a variety of reasons, but most often they are used to secure new employment. A typical résumé contains a "summary" of relevant job experience and education. The résumé is usually one of the first items, along with a cover letter and sometimes an application for employment ...
