

inter american convention against pdf

serves as official depository of inter-American treaties and their instruments of ratification, which the Charter of the Organization of American States assigns to the General Secretariat

American Convention on Human Rights "Pact of San Jose

International human rights law (IHRL) is the body of international law designed to promote human rights on social, regional, and domestic levels. As a form of international law, international human rights law are primarily made up of treaties, agreements between sovereign states intended to have binding legal effect between the parties that have agreed to them; and customary international law.

International human rights law - Wikipedia

In international human rights law, a forced disappearance (or enforced disappearance) occurs when a person is secretly abducted or imprisoned by a state or political organization or by a third party with the authorization, support, or acquiescence of a state or political organization, followed by a refusal to acknowledge the person's fate and whereabouts, with the intent of placing the victim ...
