

postcolonial criticism history theory pdf

What is Post-colonial theory? Postcolonial theory is a literary theory or critical approach that deals with literature produced in countries that were once, or are now, colonies of other countries. It may also deal with literature written in or by citizens of colonizing countries that takes colonies or their peoples as its subject matter. The theory is based around concepts of otherness and resistance.

A Brief History of Postcolonial Literature, Part I

Tackles the 'big' questions in postcolonial studies in a common-sense manner that avoids jargon and excessive theorizing. Explores the connections between literature, history and ideology to shed new light on postcolonial criticism and the study of literature in general.

Postcolonial Criticism: History, Theory and the Work of

As a contemporary-history term, postcolonialism occasionally is applied temporally, to denote the immediate time after colonialism, which is a problematic application of the term, because the immediate, historical, political time is not included in the categories of critical identity-discourse, which deals with over-inclusive terms of cultural representation, which are abrogated and replaced by postcolonial criticism.

Postcolonialism - Wikipedia

Postcolonial criticism deals with politics and literature. The literature is based on colonial works and colonial powers produced by the people who are or were colonized. What is a post-colonial theory? The post-colonial theory deals with political issues, economic, religious and cultural issues together with issues of power.
