

role of media icivics pdf

Civics or civic education is the study of the theoretical, political and practical aspects of citizenship, as well as its rights and duties. It includes the study of civil law and civil code, and the study of government with attention to the role of citizensâ€•as opposed to external factorsâ€•in the operation and oversight of government.

Best Websites for Teaching & Learning 2013 | American

A government simulation or political simulation is a game that attempts to simulate the government and politics of all or part of a nation. These games may include geopolitical situations (involving the formation and execution of foreign policy), the creation of domestic political policies, or the simulation of political campaigns. They differ from the genre of classical wargames due to their ...
