A bag (also known regionally as a sack) is a common tool in the form of a non-rigid container. The use of bags predates recorded history, with the earliest bags being no more than lengths of animal skin, cotton, or woven plant fibers, folded up at the edges and secured in that shape with strings of the same material.. Despite their simplicity, bags have been fundamental for the development of ...

The Pont Neuf (French pronunciation: , "New Bridge") is the oldest standing bridge across the river Seine in Paris, France. It stands by the western (downstream) point of the Île de la Cité, the island in the middle of the river that was, between 250 and 225 BC, the birthplace of Paris, then known as Lutetia, and during the medieval period, the heart of the city.

My heart pattered with fear when I touched down in Sydney way back in 2008. That was the first day of my yearlong round the world trip. With very little information online about long-term travel back then, I set out to document my trip, but also share all the practical details, too. For nearly a decade, I have used this page to share all the nitty gritty details of planning world travel and ...
